Body Toxic An Environmental Memoir

While "Body Toxic" is an environmental memoir, it is debatable whether the accent should be placed on the term environmental, or on the term toxic. In all probability it should be toxic, because that term is more apropos to the disfunctional maternal side of the family whose emotional problems, while apparently exacerbated by the environmental conditions Antonetta describes,

predate them.

Body Toxic: An Environmental Memoir: Antonetta, Susanne ...

Body Toxic is an environmental memoir—merging the personal and familial with the political and environmental. Intensely intimate and starkly contemporary, it is a story of bravery and resignation, of great hope and great loss. This beautifully composed book presents American families in the midst of the wreckage of the American dream.

BODY TOXIC: An Environmental Memoir

Antonetta's BODY TOXIC: An Environmental Memoir is a disturbing and haltingly readable book about some true-life horrors that most of us would prefer not to think about on a regular basis. Growing up in a polluted New Jersey beach town, Antonetta has suffered the emotional as well as physical ramifications of poor waste

Body Toxic: An Environmental Memoir | Bookreporter.com

Body Toxic. by. Susanne Antonetta. 3.94 · Rating details · 115 ratings · 19 reviews. For readers of A Civil Action and Refuge, a harrowing story of a body and a place--the New Jersey boglands, one of the most contaminated regions of the country. This is an American story. Two immigrant families drawn together from wildly different parts of the world, Italy on one side and Barbados on the other, pursued their vision of the American dream by building a summe.

Body Toxic by Susanne Antonetta

Read PDF Body Toxic An Environmental Memoir

The Body Toxic is a thoughtful and obsessively readable contribution to environmental ethics. But this work is more ethically and artistically ambitious than the artificial clarity of case studies.

The Body Toxic: An Environmental Memoir (review)

While "Body Toxic" is an environmental memoir, it is debatable whether the accent should be placed on the term environmental, or on the term toxic. In all probability it should be toxic, because that term is more apropos to the dysfunctional maternal side of the family whose emotional problems, while apparently exacerbated by the environmental conditions Antonetta describes, predate them.
