The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Brocas Brain Reflections On The

Broca's Brain is a little dated but still worthwhile. Sagan's insight and passion for science comes through as always. His view of the quest for knowledge and science as a candle in the dark makes this a must read for the scientist and layman as well

Broca's Brain: Reflections on the Romance of Science: Carl ...

I read most of Carl Sagan 's Broca's Brain: Reflections on the Romance of Science while I was in Guatemala in January. I had never read any of Sagan's work before, and rather like well-written popularizations of science. Some of the chapters were, however, well beyond my own knowledge; but I soldiered through them.
