Certificate Of Occupancy What Happens

A certificate of occupancy can be obtained through the local government, usually in the town or county's building department or department of housing. The request has to be made before any work is actually done. A certificate of occupancy will not be issued, however, until the property has passed all inspection requirements and any fines on the property have been paid.

The Basics of a Certificate of Occupancy

The Certificate of Occupancy is a document that lays out a building's legal use and/or type of permitted occupancy, meaning the type of use it's zoned for, such as commercial or residential, and how many residences are allowed at that address.
