Adapting the Chevrolet & GM Standard Shift Bellhousings to ...

a C6 is actually stronger than many alternatives, way stronger actually! but it is a truck transmission and thats where it belongs <G>. C6's eat horsepower and waste energy. juat about anything is better than a C6 for racing but you'll never beat it for a street car or the truck crowd. what i can't figure out is how we got from stick shift overdrive conversions to using C6's! hawkrod
