Operating Manuals - Uniden

A: To program this scanner manually, you will first want to make sure that everything is deleted out of it first, like the preprogrammed states such as Alaska. To do this you will want to turn off the scanner. While it is turned off you will push in and hold in the 2, 9, and Hold keys. Continue holding these down while you power on unit.

Radio Scanners - Uniden Support

This manual describes the functions and features of your scanner. It assumes that you know the basic structure of radio systems and how they work. Just as a car owner's manual does not teach you how to drive, this manual does not teach you about radio systems. There are many resources
