Poetry and the Fate of the Senses, Stewart

"The cultural, or form-giving, work of poetry is to counter the oblivion of darkness," writes Susan Stewart in *Poetry and the Fate of the Senses*, which examines how poetry, from ancient and classical traditions to contemporary postmodernism, has been a medium for expressing and sharing sensory experiences. Stewart analyzes the work of writers—including Elizabeth Bishop, Anne Carson, Samuel Coleridge, Emily Dickinson, George Herbert, Hesiod, Ovid, and Derek Walcott—and draws in a ...

The Fate of the Object traces the historical shift in focus from the "difficult" essential object of modernist theater, art, and poetry to its transformation as a sign in a postmodern field of signs. In modern art, the central object had been the abstract painting; in theater, the body of the actor; in poetry, the sonic, visual and grammatical elements of the poem.
