Reengineering the Corporation - HarperCollins

Editorial Review When someone asks us for a quick definition of business reengineering, we say that it means starting over. It doesn't mean tinkering with what already exists or making incremental changes that leave basic structures intact. It isn't about making patchwork fixes—jury-rigging existing systems so that they work better.

Buy Reengineering the Corporation Briefing Online ...

This complete summary of the ideas from Michael Hammer and James Champ's book "Reengineering the Corporation" shows how it is important to forget about business traditions and invent a new, process-focused business organisation that leads to better performance.
